

Application Note

USB devices supported by DXiP-2 and DXT-iP

This application note lists the mice and other peripheral devices tested and supported by the Amulet Hotkey DXiP-2 PCoIP rack card and DXT-iP standalone PCoIP host.

Note: *Other USB devices, such as various mice supplied with Apple computers, are widely used with the DXiP-2 and DXT-iP on customer sites, but they have not been formally tested in the Amulet Hotkey lab.*
